Woodstock Plant Expansion

Toyota Motor Manufacturing Canada Inc. (TMMC) will be adding a second shift at its Woodstock, Ontario facility in March 2010. Thus creating 800 jobs and increasing RAV4 production to 150,000 vehicles. Hiring begins this month. [Learn More](#).

Adopt-a-Family Program

Once again, our adopt-a-family project has been a great success. We were able to raise \$4152.00, and on top of that we had many gifts donated by our staff. Thanks to the gracious work and donations of our staff, we were able to bring some much-needed Christmas cheer to five families. Thank you so much to all the Heninger Toyota team members who helped make this possible.
