

## BUSINESS ADMINISTRATION – AUTOMOTIVE MANAGEMENT

- > Two-year diploma
- > Two cooperative work terms
- > E-Learning (laptop computer) delivery
- > Fall start
- > Only program of its kind in Western Canada

### What is the Business Administration – Automotive Management Program?

The Business Administration - Automotive Management program is Western Canada's only management-oriented training program designed in cooperation with and specifically for the automotive industry. Your training will be a combination of business and automotive courses to prepare you for employment in many varied positions leading to management.

### Career Opportunities

You will find work in the automotive industry in many varied positions such as: dealership operations (parts, sales, service, finance), automotive manufacturer entry level positions, finance companies, aftermarket companies, insurance and credit companies.

### Cooperative Work Terms

The cooperative work terms will allow you the opportunity to gain experience in a paid placement in the automotive industry for two four-month periods. The pattern of study and cooperative work experience is as follows:

Year One: September 2010 to April 2011

**First Co-op:** May to August 2011

Year Two: September 2011 to April 2012

**Second Co-op:** May to August 2012

Graduation

### Admission Requirements

Alberta High School Diploma or equivalent with at least 50% in the following courses or their equivalents: Pure Math 30 or Applied Math 30 and English Language Arts 30-1 or English Language Arts 30-2.

>Fall Start Date
