

**TOYOTA**  
touch

cleaning and  
detailing products

We service your Toyota the way we built it. This ensures your Toyota is running like new for years to come. There is, however, something more you can do to keep your Toyota in great condition and help safe-guard its value. Give your Toyota the extra care it deserves by protecting it from the elements like sun, salt, water and sand. Give your Toyota the **Toyota Touch**.

# toyota touch at home

a professional line of products  
for the do-it-yourselfer

- 1 **windshield washer fluid** Premium washer fluid that is tested effective at cleaning down to  $-40^{\circ}\text{C}$ , non-staining and streak-free.
- 2 **leather and vinyl conditioner** A water-based automotive leather seat and trim conditioner. Keeps leather soft and supple. Protects against fading and leaves a clean "factory" finish on vinyl and leather surfaces.
- 3 **fresh scent** A handy, non-toxic liquid air freshener to keep your vehicle interior smelling fresh and clean.

4. **spot and stain remover** A one-step stain "lifter" in a convenient glove box sized format. Helps to remove small stains from seats, carpet and hard surfaces.
- 5 **touch-up paint pen** An exact colour match for your Toyota, perfect for touching up minor scratches.
- 6 **wash and shine soap** Eco-friendly, great smelling and highly concentrated, this professional grade soap gets your Toyota sparkling clean in no time.

- 7 **multi-purpose cleaner** Perfect for cleaning automotive hard surfaces and fabrics. Cleans bug residue, brake dust, caked on dirt, fabric stains, leather and vinyl stains and surfaces.

- 8 **spray wax** A high quality, convenient liquid polymer solution that protects for weeks and keeps that high-gloss shine.
- 9 **glass cleaner** Formulated specifically for automotive-grade glass. Leaves a clear, brilliant finish.

- 10 **interior kit** The right tools for the job. Deluxe micro-fibre cloth, dressing applicator sponge and horsehair detailing brush are the tools the pros use to detail the interior of your Toyota.

- 11 **exterior kit** The tools the professionals use to wash and dry your Toyota vehicle properly. Includes deluxe grade chamois and super-soft wash mitt.
